### Commander's Report 5/29/2025

First, I want to thank Jeff and Barbie Schmitt for hosting the picnic at Lenoir City Park in lieu of the lock-through event. It was well attended with burgers and brats cooked by Jeff.

Next, I am trying to connect with either the commander of the Chattanooga Power Squadron or one of their officers. My purpose is to discuss the possibility of Knoxville merging with them. The reason for the discussion with them is that we have a very thin leadership team; and in addition, the insurance change has limited our club-insured activities to mainly educational and VSC programs. The social and boating programs are now by invitation to the email list Robin has compiled that includes members who emailed her saying they want to be informed of these substitute activities. I will update everyone as soon as I've made contact and have something to report.

Additionally, **Brigitte and I are planning a cruise the week of June 15<sup>th</sup>.** The **rough plan is to cruise Watts Bar** and possibly do part of the Clinch, since Jeff Schmitt can no longer lead the Clinch cruise due to family coming to visit. **I'll be speaking with folks who have expressed interest in one or the other recently, then firming up the program.** This is an invitation event that is "privately" organized; so, if you are interested, please put your name on the emailing list with Robin for these types of events. (Her list is very short!)

Lastly, **Brigitte and I are hosting a pool party, which will be extended by invitation to everyone on the email list that Robin is maintaining for these events.**

## Commander's Report (continued)

The pool party will be July 3<sup>rd</sup> at our home, and we expect that Randy Boyd's exceptional fireworks show will be later that evening; however, at this time there is no guarantee the Randy will do the fireworks again this year. The pool party is a boating event, which means that it is open to anyone on Robin's list who wants to come by boat. We have 15, 30 and 50 amp power plus water and ample dock space. If you are interested to receive the invitation, please ensure Robin has your email address on her list.

See you on the water,

*Don Perrine*

Commander

## Last Private Invite Event – Lenoir City Park Pavilion 1 – May 24

Jeff Schmitt, brought his 17-foot canoe and offered some instruction on safe paddling in advance of the potluck picnic. The paddling activity started at 9:00 am at Pavilion 1. All were encouraged to bring their own paddle craft or just come and watch fun. The event was attended by 15: Don & Brigitte Perrine; Dan & Chris Johnson; Ivan, Nancy & Nadia Yanasak; Ed & Beth Fendley; Jeff & Barbara Schmitt and Will & Hope Connor (Jeff's guests).

## Next Private Invite Events – Watts Bar Cruise and 4<sup>th</sup> of July Party

**CRUISE OF WATTS BAR** and possibly part of the Clinch River; planned start is **June 15**. Don Perrine will be leading this privately-organized invite event, which is being done in lieu of the Clinch and Emory River Cruise that had been advertised for late June.

**If you are interested to receive the invitation, please ensure Robin has your email address on her list.** Contact Robin [@robin.c.hanson@gmail.com](mailto:@robin.c.hanson@gmail.com).

**POOL PARTY** is again planned for **July 3** at the Perrine's. Don and Brigitte hope for -- but there is NO guarantee -- their neighbor Randy Boyd will have his exceptional fireworks show that evening.

**The pool party is a BOATING event, which means that it is open to anyone on Robin's list who wants to come by boat.** We have 15, 30 and 50 amp power plus water and ample dock space.

**If you are interested to receive the invitation, please ensure Robin has your email address on her list.** Contact Robin at [@robin.c.hanson@gmail.com](mailto:@robin.c.hanson@gmail.com) and ask to attend.

## Treasurer's Report – Financials and Insurance – by Tom Dietrich

### FINANCIALS –

- Year to date our income has been \$5,945 and our expenses. \$4,647.
- Total savings are \$12,335.

**INSURANCE** - On April 21 ABC Knoxville bought the \$1,000,000 D&O policy offered through E-Risk Services (Internal), on behalf of Scottsdale Indemnity Company for \$383 this year. The insurer is one that has been contracted by USPS to offer optional D&O insurance coverage (meaning the club pays the annual premium). This insures our officers in the conduct of their duties and allows us to continue such shoreside functions as voluntary vessel safety checks, etc.

## Education Related

### NATIONAL NEWS –

The advanced course, JN, will be offered by USPS virtually this Fall and again in the Spring for those that need it.

### ABC KNOXVILLE NEWS –

The scheduled education for Spring 2025 has been completed. ABC Knoxville has no planned summer powerboat or paddle craft educational opportunities in Knoxville. Sail 2009 might be offered in Watauga Lake in July/August. We thank our SEO and certified instructor Jeff Schmitt in affecting the following schedule of courses and seminars.

- America's Boating Course (ABC3) – 4 courses offered
- Boating on Rivers, Lakes and Locks (BRLL) - 2 seminars offered
- On-the Water Lock-Through Training – cancelled due to lack of insurance
- Paddle Smart – 1 seminar offered

**Volunteer Sought** – Do you have an interest in perpetuating the education mission of the Club and are willing to give time to do training administration and help with online posting of courses? Please contact Jeff Schmitt. This role doesn't require you to become a certified instructor or teach, but you are encouraged to do same.

Certified Instructors are those who can teach public boating safety (America's Boating Course [ABC3]). Our list of certified instructors and when their certifications expire appears below.

Charles J. Schmitt 11/2025  
 Donald A. Perrine 02/2026  
 John C. Farmer 09/2026  
 Stephen Wayne Brumit 01/2028  
 William S. Murdoch 03/2028  
 Walter E Hanson 10/2028

**Instructor Recertification Seminar** - It's easy to find the new 2-hour Recertification Seminar on the Instructor Development Committee webpage at [www.usps.org](http://www.usps.org). This seminar is user-friendly, with full details for instructors to review. For additional questions about the Recertification Seminar (or the Instructor Development Course), contact [id@usps.org](mailto:id@usps.org) or [peltier.abc@gmail.com](mailto:peltier.abc@gmail.com).

### ABC ATLANTA NEWS –

**Atlanta is offering virtual seminars, which are open to all D17.** The squadron is preparing for a charter cruise in the US Pacific Northwest.

- The seminars are instructor-led, online for 90 minutes. They will be team taught by P/C Eric Ringwall, SN-CN and Meredith Randall, SN-CN. Both have taught for years and have cruised thousands of miles in coastal and offshore waters.
- Please register at <https://americasboatingclubatlanta.org/public-classes/upcoming-classes>.
- **Price for each seminar is \$15.** Payment can be by Zelle to treasurer@americasboatingclubatlanta.org or by check payable to ABCA and mailed to Treasurer John Reichmann, 3990 Donegal Ct, Tucker, GA 30084-2525. Please include in the payment memo for which seminar you have registered. If you have questions email [seo@americasboatingclubatlanta.org](mailto:seo@americasboatingclubatlanta.org).
- Schedule: **Each seminar is from 9 – 10:30 a.m. ONLINE on the following Saturdays.**
  - **Anchoring with Assurance** – (done)
  - **Tides and Currents** – **July 19**
  - **VHF** – **June 21**
  - **AIS Electronics for Boaters** – **August 16**

Also offered virtually is the Cruising under Power and Sail course, which will be **Tuesday evenings beginning on June 17 for about 8 weeks from 7pm until 9pm**. The price for USPS members is **\$88**. Register following the guidance provided above for the seminars.

## Having a Trash Plan – Really?

### Please Promote Environmental Responsibility!

Having a written trash plan is a Vessel Safety Check requirement for boats over 40 feet length overall, but it's a good idea for all boaters to have a known plan about how to handle trash, and to make sure everyone on board knows how trash is to be dealt with on your boat. This especially applies to your guests, as they might not be aware of what to do with their leftovers. Remember, if we bring it out on the water, we need to bring it back to shore for proper disposal.

## The Dangers of Carbon Monoxide by Ann Renz (Compass, USPS)

The combustion and burning of gasoline and diesel fuel produces poisonous carbon monoxide gas. Because the gas is odorless and colorless, it's difficult to tell when you are being exposed.

Boats and other watercraft without emission control equipment exhaust a great deal of carbon monoxide, which interferes with your body's ability to use oxygen. Anyone who spends any time near the rear end of a boat can be exposed to too much carbon monoxide.

Exposure to low levels of carbon monoxide can cause headaches, dizziness and loss of concentration. High levels of CO ingestion can cause loss of consciousness or death. Unless suspected, CO poisoning can be difficult to diagnose because the symptoms resemble those of other illnesses.

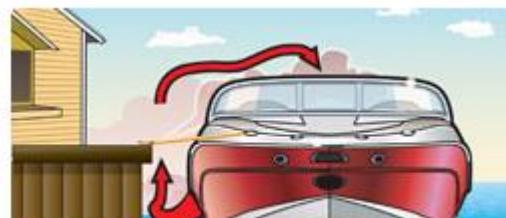

The most common symptoms of CO poisoning include

- headache
- vomiting
- dizziness
- chest pain
- weakness
- confusion
- nausea

**If you think someone on your watercraft has CO poisoning, move him or her to fresh air quickly and contact your nearest emergency services personnel.**

You can take a few simple precautions to prevent CO poisoning.

- Stay away from boat exhaust.
- Keep your boat motor off at all times while you are docked.
- Never allow your boat motor to idle to run appliances like radios.
- Avoid crowded areas where lots of boats congregate if some of the boats are idling.
- **Be CO aware when rafting and when swimming around boats!!**

Boat exhaust can also flow back into the rear of the boat. The amount of carbon monoxide can reach life-threatening concentrations on and near swim decks.

dust storms. Recoop does NOT cover landslides, tsunamis, fresh-water flooding, straight-line wind or hail damage regardless of cause. The home or apartment listed on your policy must have direct physical loss or damage that exceeds Recoop's \$1,000 damage threshold. For renters, this includes damage to personal property as well. Lastly, if a disaster is not declared by the state or federal government, Recoop won't approve your claim. And to approve the claim, your property must be within the physical limits of the declared disaster.

**PASSING OF MARSHALL HERRON**, 82, of Gray, TN. Marshall **was an enthusiastic Life Member of USPS**. His passion for the water was well-known among his friends and colleagues, who often heard tales of his maritime adventures. He passed away on May 13 at Johnson City Medical Center; his funeral was May 18. Marshall grew up in Gate City, VA, and had made his home in Gray, TN, for the past 60 years. He was a proud UT alumnus; He earned an engineering degree and had a career at Eastman Chemical Co. from which he retired. He then served as a self-employed quality manager. Marshall leaves behind his beloved wife, Brenda Gayle Greene Herron; their sons, Todd Herron (Dayanara) of Athens, GA, and Sean Herron of Gray, TN; their grandchildren and great-grandchildren.
